BOOSTERS VISIT HAYWARD

Other Successful Meetings
Held in Various Towns
This Week.

A large delegation of Foothill Boulevard boosters from Washington Township invaded Hayward last Friday evening in the interest of their favored project. They found to their surprise and great joy that they had landed in a camp of original boulevard boosters, the pioneers of the movement in this county. Instead of being compelled to urge, they themselves were shown many interesting points concerning the boulevard movement. It was like going to the fountain head to hear Mr. Parsons tell the history of the present Foothill boulevard with the inception and building of which he was so prominently identified. In addressing the Washington Township delegation, Mr. Parsons said it was one of the greatest pleasures he had had to greet a group of men working for such an object. He told them, however, that it was not necessary to convert the Hayward Chamber of Commerce on the advisability of extending the boulevard. Hayward was already converted. After reciting the history of the present boulevard and showing its great benefit to the county he warned the visiting delegation not to be too modest in their request. They should ask for a boulevard at least a hundred feet wide and when it was built provide for the planting out of trees, etc. He pledged Hayward's support to the measure.

President Angus of the Hayward Chamber encouraged the visiting delegation greatly by his cordial and earnest support. Mayor Charles Hoyer in his address heartily greeted the visitors and assured them that he was in accord with the movement and would give it his earnest and loyal support.

P. J. Crosby complimented the men from his native township and said it was the first time he had seen it was the first time he had seen such a united and progressive body of men from Washington Township working so enthusiastically for a great public improvement. He believed the project, if carried to a successful issue would be a benefit to the entire valley. Hayward he said would be behind the movement, heart and soul, and pursue. Other members of the Hayward Chamber of Commerce including Messrs. Dean, Oakes, Naylor, O'Brien, Smith, Browning and Geary heartily endorsed the proposition. At the conclusion of the speechmaking which was participated in by every loyal booster from Washington Township, the Hayward organization went on record as favoring the proposition and appointed the following exceptionally strong committee to cooperate with the Boulevard Association in promoting the project: I. B. Parsons, Mayor C. Hoyer, P. C. Crosby and W. Angus.

It is needless to say that the men from Washington Township are exceedingly gratified at the hearty and loyal support assured them by the people of Hayward. Those in attendance from this township were E. Lachman, W. Rose, Frank Martin of Mission San Jose, Henry May, T. S. Ferreira, P. S. Johnson of Decoto, G. F. Sullivan, Frank Rose, Ed Rose, F. J. Jones, H. Mason, M. J. Silva and V. Runckel of Niles, T. J. Fowler, O. N. Hirsch, C. W. Cummings, T. D. Witherly of Irvington. Owing to a meeting of the High school board, the Centerville delegation could not be present.

CENTERVILLE MEETING

An enthusiastic meeting of the Boulevard Association was held at Centerville Wednesday evening at the close of the meeting of the Associated Chambers. The members enjoyed the hospitality of the Centerville Chamber at a splendid luncheon and hearty speeches in favor of the proposed boulevard were made by E. N. Stevenson, Geo. Lowrie, Ed Hawley, F. T. Dusterberry, F. T. Hawes, Jos. Dias, G. W. Wright, M. Mowry, L. M. Juhl, James Fair and H. N. Bevier.

SAN JOSE IN LINE

In company with Mr. Parsons, Pres. Lachman went over the proposed route Thursday, calling upon several prominent members of the San Jose Chamber. The latter body entertained Mr. Lachman and A. A. Dennison at a banquet Tuesday afternoon and the occasion was marked by a very cordial reception to the boulevard project. A special meeting of the San Jose Chamber will be held next month at which time a rousing delegation from Washington and Eden Townships will be invited to be present to boost the boulevard.

SAN LEANDRO NEXT

That the San Leandro people are favorably inclined also is learned from the attitude of such men as Postmaster Rideout, A. B. Cary and Mayor J. J. Gill. The Washington Township delegation has been invited to be present at the meeting of the San Leandro body next Monday evening, December 11.

Annual Installation of O. E. S. Officers

The annual installation of officers of Orient Chapter 177, O. E. S. took place on Wednesday evening, Past Grand Master Darling of San Francisco officiating and being ably assisted by Grand, Ada, Mrs. Hirschfeldt of Berkeley acting as Grand Marshal, Mr. Goodfriend of San Francisco acting as Grand Chaplain and Mrs. Darling as Grand Organist. The ceremony was made especially impressive by the beautiful music rendered by Mrs. Darling. At the close of the ceremony the guests and members sat down to a sumptuous banquet after which toasts were responded to by a number of those present, Mr. T. C. Huxley acting as toast master. The following are the newly installed officers for the ensuing year: Worthy Matron, Mrs. B. Brown, Worthy Patron, Mr. Barton Brown; Associate Matron, Mrs. Emily Mowry; Conductress, Mrs. Gertrude Sullivan; Associate Conductress, Mrs. Blanche Kirke; Marshal, Miss Grace Ellis; Warder, Mrs. Carrie Emerson; Secty., Mrs. Elizabeth Tyson; Treasurer, Mr. G. F. Sullivan; Chaplain, Mrs. Alida Babb; Ada, Mrs. Willie Babb; Ruth, Mrs. Elta Biddle; Esther, Miss Nancy McKeown; Martha, Mrs. Wilmetta Brewer; Electa, Mrs. F. Brown; Outside Sentinel, Mr. Frank Brown.

At the close of the installation ceremony, the retiring Worthy Matron, Miss Grace Ellis, was presented with a handsome jewel, a gift from the Chapter, Worthy Past Grand Patron Darling making the presentation on behalf of the Chapter. Miss Ellis responded in a very able manner.

"A Fisherman's Luck" at Decoto

The play to be presented at Decoto on Saturday evening, December 16, by the members of the Decoto Catholic church promises to be a very enjoyable event as well as one that is entirely worthy of support. The young people are working very diligently under the instruction of Mr. Clayton who has had many years of experience in dramatic affairs. The play is full of dramatic interest and the young people who are to present it are sparing no pains to make it a very creditable affair. The play is entitled "A Fisherman's Luck" and throughout the four acts the interest is well sustained. The price of admission is 25 cents for children and 50 cents for adults.

hurst, Fruitvale, and other points in the annexed district.

MOVEMENT POPULAR

On every hand the proposed boulevard is proving a very popular idea and already it has the hearty support and backing of nearly everyone who has the future welfare of the county at heart. There is every indication that by the time the promoters of the project are ready to invade Oakland they will have the united support of the entire county section of the county behind them.

Country Club Holds Monthly Meeting

The Washington Township Country Club met on Tuesday at the home of Mrs. J. Bunting for the regular monthly meeting. Mrs. M. L. Mowry, president of the Club presided. The usual routine business was attended to, reports from various committees being heard. A report of unusual interest to the entire club was the report given by Chairman, Mrs. Thane, on the work done by the committee on Club Building Site. Four propositions were placed before the club for the securing of a building site for the proposed new Club House. The first is that the Club shall lease for a period of twenty years a portion of the Centerville Presbyterian church property at a nominal rental with the proper restrictions. The second is that the Club shall buy a lot opposite the High School for the sum of \$900. The third that the Club shall be granted a 99 year lease from a part of the old Overacker place, gratis. The fourth is a gift outright of a piece of land opposite the Barry place on the Centerville-Niles road. These four proposals will be thoroughly discussed in the regular meeting of the Club in January, 1912. This meeting will probably be one of the most important in the life of the club and it is important that a full attendance be had. It will probably be decided on that day just the situation of the Club House.

The fund for the Club House is being added to by the sale of pretty postcards and Christmas cards which are sold at a very reasonable price. The program for the afternoon was an interesting as well as instructive one taking up as it did the discussion of "The Women of the Early Church." Able papers were written by Miss M. Horner, Miss Ethel Anderson and Mrs. Allen. Mrs. Thane rendered a solo appropriate to the period being studied. Mrs. Schofield, president of a San Jose Club and don of the fine \$25,000 Y. M. C. A. Club House in San Jose was called upon and spoke in a very direct and earnest manner of the important work along the lines of a good civic clean up that ought to engage the minds of the women in the several towns in this Township. Mrs. Schofield's talk met with the hearty approval of the Club.

The meeting adjourned to meet the first Tuesday in January, 1912.

Thanksgiving Dance a Success

The annual Thanksgiving dance given by the high school pupils last Saturday evening in Maple Rink at Irvington was a very enjoyable affair. The hall was decorated with orange and white streamers of crepe paper draping the ceiling and corner where the punch was. The walls and music stand were trimmed with palms and Christmas berry greens. The programs were printed in gold with white cords and pencils. The music furnished by two pieces from McNamara's orchestra was good. Not as large a crowd as usual was present but the evening was delightfully spent until the midnight hour.

Alvarado

The Ladies Aid Society of the day met on Tuesday at the home of Mrs. Annie Lowrie. The first of the week in San Francisco. Mrs. Aftergut moved to San Francisco this week where her home will be.

Mrs. O. J. Emery of Los Gatos spent the week end as the guest of Mrs. Guy Emery and other friends in town.

Mrs. Hellwig met with a very serious accident last Saturday. Owing to her poor eyesight, she fell and suffered a compound fracture of the thigh bone. She was taken to the Merritt Sanitarium and at present is holding her own.

David Cohn, brother of Mrs. Aftergut has taken charge of the dairy property.

Chas. Brown left this week for a few days visit in Livermore.

The Women of Woodcraft will give a grand ball on Saturday eve, December 30.

Mrs. Meyer was taken to the German hospital Wednesday as a result of a broken arm which she sustained recently.

Irvington

Through an oversight entirely unintentional the Press omitted to mention the name of Mr. and Mrs. M. Brewer among the winners of prizes at the Rebekah dance held Thanksgiving eve. Mr. and Mrs. Brewer took the part of an old couple and carried out their part in a most praiseworthy manner.

Hot drinks of all kinds such as boillon, chocolate and coffee can now be had at Lutz's drug store.

The movement to have a road cut through from San Jose road to Osgood Avenue ought to meet with success as it is a very necessary improvement.

Joe Furtado formerly of Irvington but now in the grocery business in Berkeley has joined the ranks of the benedictines. He was married last Saturday to Miss Stemm of Berkeley.

Congregational Church Services

The dedication services of the Niles Congregational Church will be held at 3 p. m. Sunday. Evening service at 7.30 p. m. A half hour of praise will be given by dedication choir. Reception of new members will take place. Address. Wednesday evening at 7 p. m. the Pastor and officers will be at home to all the people of Niles. It is hoped that everybody will come. Friday evening—A banquet will be given by the Men's League of Niles. Saturday evening Knights of King Arthur will hold their regular meeting in the gymnasium when they will have an initiation.

SERVICES WILL BE HELD

Rev. Palmer of Oakland to Deliver Sermon. Large Crowd Expected to Be Present.

Next Sunday afternoon, December 10 at three o'clock, is the time set apart for the dedication of the new Congregational church of Niles. An interesting and impressive dedication ceremony has been prepared by the pastor. The Rev. A. W. Palmer of Oakland will deliver the address. A cordial invitation is extended to the public to be present.

The new \$14,000 Congregational Church building to be dedicated on next Sunday afternoon takes front rank among the finest rural church buildings in Northern California. It is probably the most complete modern church equipment in Alameda County outside of the Cities of Oakland, Berkeley and Alameda. The building is a wooden structure with an outside finish of brick veneer and plaster on the sides fronting H and Third streets.

The interior of the building is divided into the sanctuary, a Sabbath school assembly room, surrounded by six separate class rooms, a primary room, ladies' parlor, pastor's study, kitchen and gymnasium. The sanctuary is 54 by 42 feet, including the gallery and the organ loft back of the pulpit. It is hoped to install a pipe organ at a later date. The sanctuary has a seating capacity of three hundred which capacity may be increased to five hundred by throwing open the sliding doors of the Sabbath school departments. Handsome hard wood pews have been installed and accord with the interior finish which is Mission oak. Two large cathedral windows afford ample light for the day service while an artistic arrangement of electric lights will serve for the evening. At each corner of the sanctuary are pillars reaching the ceiling around the top of which are numerous incandescent electric lights and in the center of the room is the chandelier of Mission oak of the Greek-cross design and the lighted church presents a very pleasing appearance.

The pastor's study is a well lighted, cozy room with fire place and a generous supply of adjustable shelves. The ladies' parlor is a pleasant room which has almost the entire front of fine big windows affording splendid light for the work which the ladies hope to accomplish. A large fire place gives added cheerfulness. The room is but partially furnished but has a splendid start having been given a fine Mission electric lamp, made by A. Simpson and donated by F. McKenna. It is in this room that the Ladies' Guild, which has done so much to make then ex church possible, will hold its meetings continuing their faithful and efficient service. The large kitchen is nearly complete in its furnishings. A room 20 by 25 with fine closets and drawers, sink, range, tables and serving board, hot and cold water, well lighted is indeed a luxury.

Perhaps the most modern feature of the building is the gymnasium, 60 by 30 feet, equipped with a roomy stage two shower rooms and lockers for boys and girls. This large room will be used for all the social activities of the church, will be a place of meeting for the Knights and the Queens and when completely furnished will be used for all the athletic activities of the young people of the town. A fine new piano has been bought by the Men's League and has been placed in the gymnasium. The heating throughout the building is supplied by means of an air furnace.

CHILDREN ENTERTAIN PARENTS

Give Dinner at Which Prominent Educators Deliver Addresses.

The vegetable dinner given by the class in agriculture grades of the seventh and eighth grades of the Niles grammar school, was a unique affair. The class is organized for the purpose of studying agriculture and the result of their labor was shown at the dinner when the parents and guests were served with the vegetables that had been planted, and cared for by the different members of the class.

The children under the direction of Mr. Vincent, their principal, have been very busy making the dainty place and menu cards and had sent out pretty invitations to their parents and friends.

The room was beautiful in its trimmings of autumn foliage, and adorning the long tables were pretty raffia baskets filled with fruit and the same brilliant foliage.

After the luncheon which had been served by the class, Mr. Vincent in a few well chosen words explained the objects of the class.

Mr. Stebbins of the Agricultural department of the U. C. gave an interesting talk on the similar work done in Berkeley.

Mr. Zeidler of Union High School gave a most interesting and instructive address on the great value of tical application of the study. Mr. Zeidler won the confidence of his hearers and the parents and visitors are no longer skeptical of the great importance that this subject bears to the school and development of the future.

The vegetable dinner was the beginning of its kind in the Township but we hope that it will be a yearly occurrence.

Niles Notes.

Mrs. D. W. Rampe of San Francisco spent Sunday with her sister Mrs. A. I. Simpson.

BORN—to Mr. and Mrs. Will King of Pleasanton, last Tuesday, a son. Mrs. King was formerly Miss Millie Buzzacot of Niles.

Mr. and Mrs. Mendenhall and little daughter of Berkeley have returned to Belvoir to spend the winter months.

Miss Consuelo Howard came up for the week-end from her home in San Francisco for a visit at Belvoir.

Mrs. C. Schofield leaves on Friday for a few days visit in San Jose and Campbell and to attend club meeting.

The Reading Club meets next Monday afternoon. Subject—Paris.

Mrs. M. A. Collier of Downer's Grove, Illinois will arrive on Friday to spend the winter with Mrs. J. C. Shinn.

Mr. Harry Green came home for a short visit this week. Mr. Green is stationed at present in Soledad, Monterey county.

Mrs. H. B. Green and her twin sons have returned to Niles after spending several weeks with relatives in Newark.

Gallus Schmidt Found Dead

Gallus Schmidt, who for a long time was in the employ of the Walpert Cattle company was found dead in his cabin last Saturday morning by Lee Scott. He had not been seen for several days and the suspicions of his neighbors in the canyon being aroused, they entered the cabin Saturday morning and found him dead in bed. Death had evidently resulted from heart disease.

Deceased was a native of Germany and 64 years of age. The funeral was held Tuesday at Mt. Eden under the auspices of the lodge of Hermann Sons of Hayward of which fraternity he was a member.

J. Stitt Wilson to Speak at Banquet

J. Stitt Wilson, mayor of Berkeley, will be the principal speaker at the banquet next Friday evening.

30 feet, equipped with a roomy stage two shower rooms and lockers for boys and girls. This large room will be used for all the social activities of the church, will be a place of meeting for the Knights and the Queens and when completely furnished will be used for all the athletic activities of the young people of the town.

A fine new piano has been bought by the Men's League and has been placed in the gymnasium. The heating throughout the building is supplied by means of an air furnace.

For President
Robert M. LaFollette

Summary of New Water District Bill.

The following contains a summary of the new municipal water district bill, by which the city of Oakland proposes to acquire the People's Water Co.'s plant.

STEPS NECESSARY

The new law as proposed will be an amendment to the law of 1909, providing for the establishing of water districts. The steps to be taken in establishing any district and acquiring water bearing properties in that district under the new law are provided for as follows:

First, a number of citizens will outline a district which will include several municipalities and perhaps an entire county. A petition to the Board of Supervisors of the county will be drawn up asking for an election to establish a water district, which will be described in the petition.

When the petition is presented to the Supervisors it must contain the signatures of 10 per cent of the voters in the proposed district, based on the number of voters who cast a ballot at the last election for governor of the state.

After the presentation to the supervisors the petition must then be advertised in the newspapers for a period of ten days. The petition, signed by the required number of voters, will force the supervisors to call the election to establish and fix the district. A majority vote in the proposed district will be sufficient to carry the project according to the proposed amendment.

If the project carries a second election will be held wherein five directors will be elected at large in the district. These directors will act as a committee acting for the people of

the district in all water matters. Following their election each municipality in the district will appoint one director to act with the five elected. The entire number will form the Board of Water Directors of the district in question. These directors will have power to bring suit for the people and to negotiate in all water matters concerning the district although they will have no power to spend money without the special consent of the people of the district.

When the directors are ready to bring suit to condemn the water company's property the matter will then be taken into court. A price will be fixed on the company's holdings at which figure the people may take over the plant if they deem it a bargain. The matter will then be submitted to the people. With a description of the property before them, and the price named at which they may have this property, the people will then vote upon the proposition.

When the bonds are thus voted to take over the plant all that remains to be done is for the system to be outlined whereby the plant will be managed and water will be distributed to the various municipalities included in the district.

The new law is essentially direct legislation for the people and by the people. The directors of the district will at all times be subject to recall so that at no stage of the proceedings will the absolute control of the situation be out of the hands of the people.

Niles New Church Building.

The dedication of the new \$14,000 Congregational church building of Niles next Sunday will be an event of no little importance to this entire township. The erection and equipment of such a building certainly calls forth the highest admiration for the faith and enterprise of those who have been responsible for its conception and completion. It is a striking example of the unselfish devotion of those who have so generously contributed to its erection and it shows a faith in the future of our community which is bound to prove a perpetual benefit so long as the edifice stands.

Such buildings as this devoted to the moral, social and spiritual uplift of the community are a lasting credit to our people. From them emanate those movements and relations which really make for a better life and which lay the foundation for that real and vital civic conscience which moves the race along to better things.

The new building marks a departure in our community as in it has been given particular attention to Sunday school work and to the physical and social side of life which always appeal to active young people. In this sense it is a departure in line with modern ideas giving practical application of the reform which is working for the transformation of our present day religious attitude. This modern conception takes the broader view and recognizes the many sided nature of man, and is an effort to harmonize the various human tendencies into a more rational and perfect life.

May the new church building prove a real inspiration and blessing. May it ever be dedicated to that highest and noblest aspiration of man, the spiritual yearning for divine truth. May those who gather there for worship or study or play become so thoroughly imbued with the spirit of Christ that they will reflect His teachings in all their dealings with their fellow man.

Will Discuss County Charter and Redistricting.

At the meeting of the Niles Chamber of Commerce this week it was decided to make the question of the proposed County Charter Government and the rearrangement of the boundaries of the Supervisorial districts the subject of a discussion at the next meeting of the Chamber on Tuesday evening December 20. The subject will be introduced by C. Runckel at the request of the Chamber and will be participated in by other members. The question is one of vital importance to the people of the township and all who are interested in the question are invited to attend and take part in the discussion.

Masonic Home.

Thanksgiving day was duly observed by the family at the Home. At the breakfast table each member found a dainty card of greeting at his cover. Greetings from the Board of Trustees were also extended. A regular holiday dinner was served at one o'clock and later in the afternoon a Thanksgiving service was conducted by the Superintendent. The remaining part of the day was spent in the enjoyment of a social time, together with music and and literary program.

To the ordinary observer, Niles today is presenting an object lesson which cannot help but impress one deeply. On the one hand we are dedicating a modern church building complete in all its equipment to meet the demands of a modern community, and built by private effort. A block away, at the county's expense, there is just finished a modern jail complete also in its equipment. The two are a perfect antithesis. Neither has anything in common with the other. The church building is a promise of better things, and the prison cell a sad reminder of man's failure after thousands of years of human effort to stamp out the evil tendencies of our nature. While it may be necessary to have jails, we cannot but deplore the fact that the ugly reminder of the dark side of human life has been given such a prominent place on one of our main streets. It would seem that one such pile of concrete and steel and iron bars in the county built at a cost of thousands of dollars were enough to satisfy the needs of our people. Let us hope that this jail of ours in Niles may have few tenants, and that the forces of evil that send men to this nearest approach to hell on earth may be removed from our midst as rapidly as education and the concerted attention of our people toward better things can remove them.

It is rather a sad commentary on the progressive spirit of our community that we should pride ourselves on the erection of a modern jail building when the whole tendency of modern times is to get away from the monstrous relic of ancient barbarism.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing more but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Death of a Christian Lady

It was their first parting for fifty years. Many and many a time during her suffering, it seemed as though the gates of heaven were ajar, but at last they swung wide open and the spirit passed through to the great light beyond. As she lay asleep on the couch where she so often had rested waiting for the Sabbath bell, suddenly the call came from the unseen shore. There was a note of solemn joy in her voice as she feebly spoke the name of her husband and her children and with a sweet smile put on immortality. And thus came to a peaceful close the earthly life of Mrs. Elvira Whitman Durham, wife of the Rev. Judge Durham of Irvington, last Friday morning after having been confined to her bed for the last year and in poor health for several years. As she lay in her casket so peacefully, not a trace of pain or suffering was upon her face, but with a serene, calm expression of perfect peace she lay asleep beloved by all. The funeral was held in the Irvington Christian church, Sunday P. M. December the third at two o'clock and was largely attended by friends who came to pay their last tribute of love and respect. The services were conducted by the Rev. J. H. McCullough of Santa Cruz, a friend of many years standing and Robert Lord Cave of San Francisco, visiting minister to the Irvington church. The pall bearers, according to Mrs. Durham's expressed wish were her nephew, Guy W. Smith of Saratoga, Thomas Power, and four of her former pupils, Max and Jay McCullough, Frank Reynolds and Elbert Hugli. Mrs. Hillman Smith of San Jose sang as a solo at this service, Mrs. Durham's favorite hymn, "My Faith Looks Up To Thee" and other songs for which she had been given by a choir composed of Mrs. L. S. Anderson, Miss Anderson, Miss Galindo, Eugene Babb and Fred Blalock. A wealth of beautiful flowers from different parts of the State and the East spoke of the universal love

with which Mrs. Durham was held by those who knew her.

Elvira Jane Whitman was born in Warren County, Illinois, in 1839, her family having moved to that State from Kentucky. Both of her great-grandfathers went to the war of the Revolution from Virginia and were active in the early educational life of the country. In 1854 Miss Whitman entered Abingdon College in Illinois, being the first student to register and graduating in 1858 with the highest honors in her class. She took both the degree of Bachelor of Science and Master of Science at this institution.

In 1862, she was married to Judge Durham, a college mate at Abingdon, and to them were born four children, all of whom are living, Mrs. E. Cutler of Palo Alto, W. W. Durham of Chicago, Mrs. H. C. Ingram of Oakland, and Dr. J. H. Durham of Irvington.

Up to the time that they came to California, Prof. Durham taught in this same college. In 1871 they came to California to engage in educational work and Mrs. Durham assisted her husband as teacher at Pierce Christian College in College City and Washington College in Irvington. Mr. Durham having been president of both of these institutions, and at Santa Rosa Christian College. For a number of years she had a Bible class for young men and numbered among her students many who are now prominent in the professional and business life of this and other States. Mrs. Durham organized the first Missionary society in the Christian church in California and in countless other ways contributed to the advancement of her love to good

Christmas is Near at Hand

And we advise you to call and make your selections for Holiday Gifts in which we are pleased to say we have the largest and most complete stock of suitable Xmas Gifts ever seen in Washington townships. Our prices are low and our assortment larger.

As large as our show windows are we have not the space to show the many beautiful articles we have in stock so call and see us before purchasing elsewhere. You will not be sorry.

No trouble to show goods.

INCUBATION SECRETS

Some wonderful discoveries have been recently made in this field, the most important being a new regulator for automatically controlling Heat, Moisture and Ventilation.

The George H. Lee Company of 225 West Second St., Los Angeles, Cal., has just published a new incubator book that covers all of these new ideas fully, and which will be sent free to any interested person on request.

DIVIDEND DECLARED BY CITIZENS WATER CO.

At a meeting of the Board of Directors of the Citizens Water Co. of Niles, held on Tuesday, December 5, 1911, Dividend No. 3 of two and one half (2 1/2) cents per share was declared payable on Friday, Dec. 8, 1911, at the office of the Secretary.

J. E. JACOBUS,
Secretary.

DISTRICT NO. 2, I. D. E. S. NOW HAS DISTRICT DEPUTY

J. S. Martins, Presidente Supremo of the I. D. E. S., has appointed M. J. Silva President of Conselho Niles, No. 75, as District Deputy of that district. The district includes Conselhos Centerville, No. 27; Vasco da Gama, No. 2 Alvarado; Floresta, No. 55, Decoto; and Niles, No. 75, Niles.

Mr. Silva has already visited Centerville, and Decoto councils and will

Centerville

Born, on November 26, in Centerville, to the wife of J. Plexoto, nee Evelyn Swartz, a son.

Mrs. L. Francis and son Howard of Oakland were guests of Mrs. M. L. Lewis on Tuesday of this week.

The Ladies Aid met this week with Miss G. Crocker on Wednesday afternoon and a splendid meeting was enjoyed.

The Ladies of the Catholic church are planning to give a bazaar in the town hall both afternoon and evening on December 15, at which time they will have on sale articles of every description that will make useful as well as beautiful gifts for Christmas. In the evening there will be dancing.

The Sweet Sixteen Club met this week on Thursday at the home of Mrs. Eggers and a delightful time was enjoyed.

Centerville has had an unusual number of Township meetings this week. The Country Club, on Tuesday, the Associated Chambers, the Mission Boulevard Association, the Eastern Star all on Wednesday evening, and the Sweet Sixteen card club on Thursday.

Miss May Hawley is visiting her brother in Centerville.

The store of J. A. Coney presents an attractive appearance with its windows artistically trimmed in the holiday dress and filled with a fine assortment of Christmas toys and other Christmas goods. The interior of Mr. Coney's store is one that of the store has been greatly added to by the purchase of the fine new glass show cases which occupy the central portion of the store. The whole store has an up-to-date appearance.

Lloyd Mickle was home from Stanford for Thanksgiving and was accompanied by Mr. W. Emerson, of Spokane, an upper classman of Stanford.

Sunol

Miss Adellina Marshall entertained a few friends at an informal gathering on Friday evening prior to their returning to Oakland on Monday.

The Sunol blacksmith shop has been leased to G. H. Jackson of San Francisco.

Mr. Frank Toscano's new house is completed and will be occupied soon.

Mrs. Charles Trimmingham and daughters have been the guests of relatives in San Francisco.

Mr. and Mrs. Peckham and two sons of San Jose were guests over Sunday at the home off Mr. George Butner. Mrs. Peckham is a former resident of Sunol and P. Leasanton, her major name being Miss Dona Butner.

Mrs. John Smith and son visited in Hayward on Tuesday.

The Heine house is near completion and the family expect to occupy it at an early date.

Mr. Breen has moved into the Hayes house on Glen Avenue.

Mr. Lorin Ager is slowly recovering from his recent illness.

Dr. Freeman is having an addition built on to his house.

Messrs. Butner and Peckham went quail hunting on Sunday and returned with the limit.

Cupid is at work again and wedding bells will be ringing shortly.

Earl Trimmingham attended the Thanksgiving dance in Irvington given by the pupils of the Union High school at Centerville.

The midnight train has been discontinued on the S. P. and theatre parties will have to follow suit.

Niles Property Sold

John Stevenson of Centerville this week purchased from Martin Cavanaugh the store building and residence occupied by P. A. Ellis. The price paid was \$5000.
